Serving students at the University of Wisconsin – Stevens Point

August 4, 2011

Dear Sisters and Brothers of the District:

I much appreciated the gift given through the District office, a model of Jesus washing the feet of one of the disciples. That is what ministry is all about: serving others in the name of Jesus. I also was blessed with a check for \$100 to be used by Karol and I on a special night out.

I have received much joy to have served this District for a total of sixteen years. The blessing of service in campus ministry is hard to describe, but if you've read my writings over the years as recorded in the monthly issues of the Messenger, you might get a bit of the flavor of service with young people on a college campus. You've also been able to read many issues of "Peace at Point" telling of the excitement of campus work. Thank you all for allowing me the opportunity to serve you in this way.

My service to you will not end here. I am planning on more years of service as a volunteer at Peace with international students, and with sharing the story of campus work on a District-wide basis in Sunday worship, small groups, or whatever forums are available to me.

Thank you for your faithful and generous support of our campus ministry in Stevens Point. I know that this work is expensive, but, in my estimation, it is worth every penny that we spend – so that some may come to know Jesus our Savior.

With humility, respect, and appreciation,

Pastor Carl (P.C.)

If your congregation is looking for a campus mission Sunday opportunity, I can be available to you (I'm now scheduling for 2012). Contact me at the above addresses.

"Don't be afraid, because I am with you. Don't be intimidated; I am your God. I will strengthen you. I will help you. I will support you with my victorious right hand."
Isaiah 41:10
